HEATING BILL HELP AVAILABLE

With low temperatures this winter, I wanted to remind you that assistance with heating bills is available to income-qualified residents again this year through the Low-Income Home Energy Assistance Program (LIHEAP). LIHEAP is a federally funded program that helps individuals and families pay their heating bills through home heating energy assistance grants. It also provides crisis grants to help in the event of an emergency or if a resident is in danger of losing his or her heat due to broken equipment, lack of fuel or termination of utility service. To qualify for LIHEAP in Pennsylvania, you must meet income requirements, which are set based on your household size. For example, the maximum annual income for an individual is \$23,475 and for a family of four it is \$48,225. For each additional person, add \$8,250 to the income limit. Residents may apply for LIHEAP online at www.compass.dhs.pa.gov, by phone at 1-866-550-4355 or by contacting the Bradford County Assistance Office at 570-265-9186 or the Wyoming County Assistance Office at 570-836-5171. If you need assistance with filing an application, please contact one of my district offices. The program is scheduled to close on April 10, 2026.

2025 Property Tax/Rent Rebate

APPLICATIONS OPEN

Income limits for the Property Tax/Rent Rebate Program have increased again this year to \$48,110 for both homeowners and renters. If you were earning too much to qualify before, you may be eligible now. Remember to exclude 50% of Social Security when determining your income. The maximum rebate is \$1,000. The program is open to residents age 65 years and older; widows and widowers 50 years and older; and people with disabilities 18 years and older. Remember — you do not need to pay anyone for assistance to apply for the rebates. Apply online at mypath.pa.gov, or contact my offices for help.
